# Register Sizing Guide

Remove old register and measure the length and width of your vent before buying. Vent sizing may be inconsistent, so ensure you are receiving the right size using our Online measuring quiz or the sizing chart below.

**EXAMPLE:** If your vent length is 9.85" and the width is 4.10" then you would choose the 4" x 10" register.

## FIND YOUR REGISTER SIZE

Need measuring assistance? Take our two-question measurement quiz to find the perfect size register for you!

# 11" Printable Ruler

## STEP 1: PRINTING INSTRUCTIONS

Print on letter sized paper (8.5"W x 11"H) at actual size (100%) with portrait mode selected. Please DO NOT print with the fit to page setting on or ruler sizing will not be accurate.

Need a larger ruler? You can print out two copies of this page and tape them together!

## STEP 2: PRINTING INSTRUCTIONS

To ensure the rulers' sizing is accurate please verify that the page printed correctly by placing an ID card or a Bank card into the area below. If the card fits you can start measuring. If not, please reprint this page using the correct settings listed in step 1.

## 2" x 12" Floor Register Template

### STEP 1: PRINTING INSTRUCTIONS

Print on letter sized paper (8.5"W x 11"H) at actual size (100%) with portrait mode selected. Please DO NOT print with the fit to page setting on or template will not be accurate.

### STEP 2: CONFIRM PRINT SIZE

To ensure the template sizing is accurate please verify that the page printed correctly by placing an ID card or a Bank card into the area below. If the card fits you proceed to step 3. If not, please reprint this page using the correct settings listed in step 1.

### STEP 3: USING THE TEMPLATE

Print two copies of this page. Trim the template along the outside of the dashed lines and connect the two half templates so that the arrows meet. Place over your empty vent to ensure that the damper box will fit. Gapping around the damper box is expected as the face of the grate is bigger in size to secure the register in place.

# Installing Your Register

To install your new Decor Grates Register, simply grab the face of your old register and lift it out of the vent. Remove your new register from the package and place it in the opening. If you are installing a ceiling or wall Register, secure it in place with the screws provided. Due to varying vent sizes, gapping may occur around damper box.

# Use & Care Guide

Decor Grates Inc manufactures at the highest quality standards to create long lasting decorative floor registers. Proper care and regular maintenance will help to prolong the life of these products.

Listed below are the categories of our products and the care instructions.

## BRASS

Can be used in any area of your house. Can be easily cleaned or wiped with any brass cleaning agent and buffed.

## CAST ALUMINUM

Can be used in any area of your house. Can be easily cared for by using a dissolver spray and a non-abrasive pad or soft brush to remove any residue.

## PLASTIC

Can be used in any area of your house. Can be easily mopped or wiped clean with any mild household cleaner that does not contain bleaching agents.

## PLATED STEEL

Can be used in any area of your house. Can be easily mopped or wiped clean with any mild household cleaner that does not contain bleaching agents. Must then be dried to prevent spotting.

## WOOD

Can be used in any area of your house. Can be easily wiped clean with any wood specific cleaner. In dryer areas of your home, be sure to condition the grate with a wood care product to prevent cracking and separation.

## CAST IRON

Can be used in any area of your house. Can be easily mopped or wiped clean with any mild household cleaner that does not contain bleaching agents. Must then be dried to prevent spotting.

\*In any high humidity areas, it is recommended to coat your grate with an extra clear coat of oil based sealer to prolong the life of your grate.
